Club Patrons

At the start of last season, the senior committee decided to elect two of our life members to the position of club patron. This role involves two parts, firstly it is an opportunity to recognise two individuals who have given great service to the club and secondly to draw on their experience and standing within the football and broader community for advice and assistance over their tenure. Initially the board has elected two people to this position:

Bob Boehm

Bob has been appointed as Patron to represent the CBFC members and community. Highly respected in Southern Football, Bob has been involved in every grade at our club as either a coach, team manager or both. Coach of the 1994 Premiership, there are not many players who have played at Christies without being coached at some stage by Bob.

John Hall OAM

John has been appointed as a highly respected member of the wider football and sporting community. A record 5-time A-Grade premiership player for our club, John has given over 40 years of service to CBFC and the SFL. In 1998 John was awarded the Order of Australia Medal for services to Australian Football and Surf Life Saving and in 1996 was presented with Life Membership of the SFL.
